Everything Possible Done To Assure Visitors to Bassano a Most Enjoyable Time

Rosemary

Mr. Jack Rabbit returned Saturday from a trip to Saskatchewan.

All the side roads are in very bad condition. A result most all traffic on them has stopped.

Mr. & Mrs. Phil MacLeod of MacLeod were greatly shocked to hear of his death last Monday due to a heart attack. Phil, 19 years of age, had lived in this community for a couple of years and had made numerous friends. Sincere sympathy goes to the community to his mother, sister, two brothers, and other relatives in Calgary.

Mr. J. Norton, Sr., of California, is here to spend the summer with his son, Mr. Roy Norton, and family.

Mr. and Mrs. A. Russel, Vivian and Theodore, made a business trip to Bassano.

A number of people attended the funeral of Phil MacMurray in MacLeod on Thursday.

OBITUARY

FREDRICK SAMUEL GRIEVALE

A quiet end came Saturday for the past twenty-one years, Fredrik Samuel Gervais died suddenly mid-morning, June 15th, from heart failure. Mr. Gervais was born in Quebec in 1863 and in 1917 with his family moved to Gleichenville, north east of Gleichen. When he bought a farm, he had traveled over Canada.

Gervais is survived by his wife, four daughters and four sons: Mrs. Fred Kortmeyer, Black Diamond, Mrs. L. Long, Missouri, Mrs. Dave DeJearine, Glendale, and Hazel at home; Charles, area north of Gleichen, Henry, Black Diamond, Earlie and Alex at home.

Despite his age, Mr. Gervais was a very active man. He took a great interest in the welfare of anyone anything that was needed. He was kind at his home. He was at home by the bedside of the sick and delighted in all kinds of neighborly offices. He had borne adversity bravely and enjoyed prosperity quietly. He had filled the various stations of life, as son, husband, father, and friend, and filled them all well.

The funeral took place Tuesday morning at 10 o'clock and was largely attended. Mass was said at St. Victor's Church, Gleichen, after which interment was made in the cemetery. The pall-bearers were Meers, F. J. Mueller, Goo, Dusdridge, Crotin, Herman, Rougoue and Sampson.

Lathom

Mr. George Lathom of Idylwood was a visitor at the home of Mr. and Mrs. A. Freeman the past week.

Mr. and Mrs. Chester Lewis and baby of Queenstown were visitors at the home of Mr. and Mrs. L. Muoro for a few days.

Mr. L. Muoro had the misfortune to break his leg recently. His team ran away, throwing him out of the wagon. He was in the Medicine Hat hospital for a month, but left on Tuesday for Cochran and Olds.

R. Love, Jr., returned home Thursday for the summer holidays.

DISTRIBUTION WITHOUT WASTE

CANADA'S Butter surplus is now being distributed to families throughout the Dominion, as a result of an arrangement entered into by the Federal government, which pays the regular cash for the butter dispensed over the counter. Premier Mitchell Hepburn of Ontario has agreed to contribute his services for the part in the butter distribution set-up, claiming that the Dominion administration is interfering with the dairy industry. While it is not our policy to interfere with business, the Hepburn move was one entered in all haste before business and farmers in Port Bruce, Ontario, last weekend which contained a vital point. He stated that he had been informed "that many persons on relief are not in a position to obtain their extra supplies or butter is being sold." The effort is virtually a total loss. Drumheller business men dispensing the surplus butter have had relief families take away as much as eight pounds at a time. Asked if they were not afraid of getting a refrigerator and call for it by the pound, the refuser replied. Anyone should know that if butter is kept any length of time in a warm atmosphere it will soon become rancid and unfit for human consumption. The object of the distribution is that the butter and the surplus become a waste. —Drumheller Mail.

ED. NOTES

A new Bucyrus-Erie Dragline has been purchased by the District to replace an obsolete and worn-out machine. We expect to have it working in the next two weeks. This type of dragline, of which we have already purchased two, has proved highly efficient and will be a valuable addition to our equipment.

All growers of registered seed are reminded that applications for registration should be submitted to the Grimsby Alfalfa Seed Growers Association without delay.

During the past few years the District has extended certain discounts to long term grazing leases for prompt payment of current rentals. A by-law has been prepared for the approval of the Irrigation Council providing for discounts of up to 50%.

Upon payment of current lease rentals in full on or before 1st August, 1939—Discount of 20 per cent. On or before 1st September, 1939—Discount of 15 per cent. On or before 1st October, 1939—Discount of 10 per cent. On or before 1st November, 1939—Discount of 5 per cent.

It must be clearly understood that this discount applies to current rent rentals only and all arrears of rentals must be paid before any payment on current rentals can be accepted.

Dorothy

In the past month the whole district has been glad to see the greatest rainfall in years and crop conditions are very good.

The Red Deer River is just about at flood level forcing the ferry to cease operations on several occasions. Owing to bad roads, the Dorothy United Church has been able to hold only one service this season.

The Ladies Aid will hold their monthly meeting on July 1 in the church.

Mr. Ada King left on Tuesday's train en route to England to visit her brother.

Mr. Albert Machon who has been on the sick list is improved in health.

Mr. Stuart, our local elevator man, was called to Calgary. Mr. John Heslop was in charge during his absence. Mrs. Schomaker's mother from Vancouver was paying an extended visit.

The Dorothy Stampede has been postponed indefinitely on account of the rains.

Mr. Dan Clung from Fish Lake paid a visit to Dorothy on business. Mr. Schomaker, our elevator agent, is remodelling his office and warehouse.

Dorothy is having a new school and teacher's cottage erected before this fall.

The Poet's Corner

I wonder if ever a song was sung
But the singer's heart was bitter!
I wonder if ever a rhythm was sung
But the thought remained to master!
I wonder if ever a sculptor wrought
Till the cold stone echoed his ardent
thought!
Or if ever a painter, with light and shade,
The dream of his utmost heart portrayed!—ANON.

Spiritual Radio

Who knows but what the angels now
and then
With glorious music flood the midnights all?
And when did to catch the shepherd's where?
They said and dreamed and talked of things and men,
Sheep, and no doubt their illus and habits, when
By some strange marvel delicate
and sweet,
For that one instant tuned to Heaven they were
And heard what man has never heard again?
By some strange method could we only find
The true vibrations suited to our ears,
As is this thing called radio designed,
We might catch the music of the spheres,
And in that holy moment of surprise
Pick up God's program from the midnight skies!—ANON.

Do You Recall?**TWELVE YEARS AGO**

From the Bassano Mail, July 7th 1927.

ATTEND GRADUATION IN MONTANA

Mr. and Mrs. M. H. Gamble of Coopersfield motored to Great Falls, Montana, to attend the graduation of their daughter, Jeanne, who graduated from the Deaconess Hospital, Miss Dona Schomaker, a former Bassano High School student, graduated from the Great Falls High School. THE MAN WHO SOLD HOT DOGS

There was a man who lived by the side of the road and he sold hot dogs. He was hard of hearing so he had no radio. He used to sit there with his eyes to be read no newspaper.

He sold good hot dogs. He put signs up on the highway, telling how good they were. He stood on the side of the road and cried, "Buy a Hot Dog, Mister!" and people bought them. He increased his meat and hot orders. He bought a horse and cart to take care of his trade. He finally got his son home from College to help him.

But then something happened. His

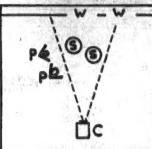

term opened.

Mr. Scrougje made a trip to Drumheller.

Mr. Frank Machon has been assisting Mr. Scrougje with the ferry during the high waters.

The SNAPSHOT GUILD**SUNSHINE INDOORS**

Appealing "Indoor sunlight" pictures can be made with the simplest cameras. Photo lights may be used to brighten shadows.

"Indoor sunlight" snapshots are easy with a camera and high speed film. Sb, subject; W, sunny window; C, camera; PP, photo lights in reflectors to brighten shadows.

Most available pictures are made outdoors. But charming and artistic pictures can be made as easily indoors, wherever the rays of the sun stream through a window. Such pictures are especially attractive when the sunlight is used as "backlighting." The picture above is "backlit" — the sun comes from a window behind

John van Guilder.

and slightly to one side of the subjects. Therefore, the subjects are brightened by sunlight lighting, and interesting shadows are thrown toward the camera.

To get the best results in "backlighted" pictures, it is wise to use photo lights to brighten the shadows (see diagram). This not only produces a better picture, but also reduces the exposure. With photo lights arranged as shown, a snapshot can be taken with a box camera loaded with high speed film. Other cameras, 1/25 second at f.11.

Interesting silhouette pictures can be taken when the subject is placed in front of a sunny window. If a silhouette is desired, do not use the photo lights or a reflector of any kind. Instead, place the subject against a sunlit window make a mark with the scene stop opening on the camera.

(Try a roll of "Indoor-sunlight" film. Many charming effects can be obtained by using this type of film.)
